Contents

Preface	iii
Foreword.....	v
About the author	xiii
Introduction.....	1
Chapter 1 - Some Aspects of K. Banerjee's Life	7
1. Contact with Western scientific community.....	7
2. KB as Nobel Prize Nominator.....	10
3. KB on C.V. Raman and the discovery of the Raman effect....	11
4. Tradition of instruments construction at the IACS.....	14
5. Views of KB's students and associates.....	16
6. Honours and awards	17
Chapter 2 - Beginning of Research Career – Innovative Years	27
1. Study of amethyst crystalline quartz	27
2. X-ray diffraction in liquid alloys.....	29
3. Structure of naphthalene and anthracene	31
4. KB and his theory of elasticity	35
Applying for D.Sc. degree and evaluation by the British experts	37
Memoir on the photo-elasticity in crystals and the Griffith	
Memorial Prize	37
Travelling Fellowship	39
Fourier analysis method — A landmark contribution	40
Chapter 3 - KB as Reader at the University of Dacca.....	47
Physics Department at the Dacca University	47
KB's Research work in Dacca	50

Chapter 4 - KB as Mahendra Lal Sircar Professor IACS.....	63
Scientific work of MLS Professor.....	67
Observation of diffuse spots in Laue photographs – Controversy over the priority and interpretation	70
Study of the solutions of alkali halides	74
Start of a new era.....	75
Small angle scattering of monochromatic x-rays.....	79
Symposium and Lectures	80
Appendix – Researchers and subjects studied by them from 1947 to 1953.	81
Chapter 5 - KB at the University of Allahabad.....	91
Chapter 6 - KB - Director of the IACS.....	97
Director’s research work.....	98
General articles by KB	102
B.B. Ray memorial lecture – X-ray diffraction in India	102
Criticism of scientific policies	104
Criticism of CSIR, industrialists and Government policies...	106
Appendix – Articles published by Director’s Group from 1959 to 1966	108
Chapter 7 - Impact on International and National Level.....	113
Appendix - KB’s associates	117
Appendix – ‘KB and co-authors’.....	120
Chapter 8 - Concluding Remarks	125
K. Banerjee – ‘Improved’ List of Publications.....	131
Bibliography	135
Index.....	155
